Lungus the Fungus

Teacher/Activity Kit

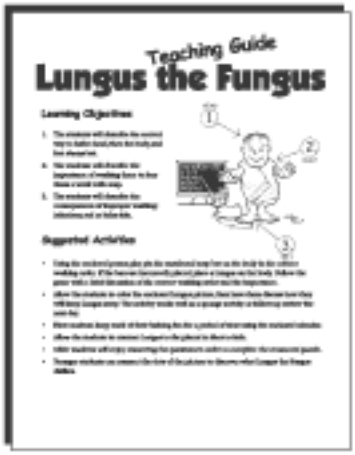
The Kit provides you with a Teaching Guide to learning objectives and seven different educational aides to help reinforce the child's learning experience.

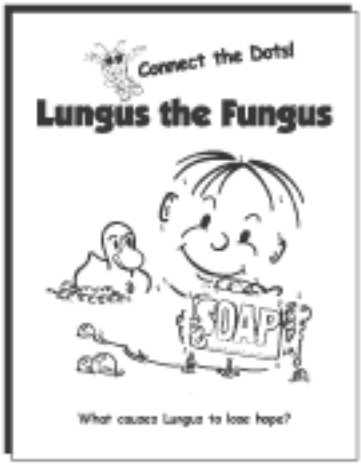
It comes packaged in a large envelope that contains a 9" x 12" hi-gloss, reinforced pocket folder that allows you to protect and store the originals as well as any duplicates or additional materials safely.

Each original activity sheet is made of durable gloss paper allowing you to reproduce the hand-outs as you need them.

The activities and games are as follows:

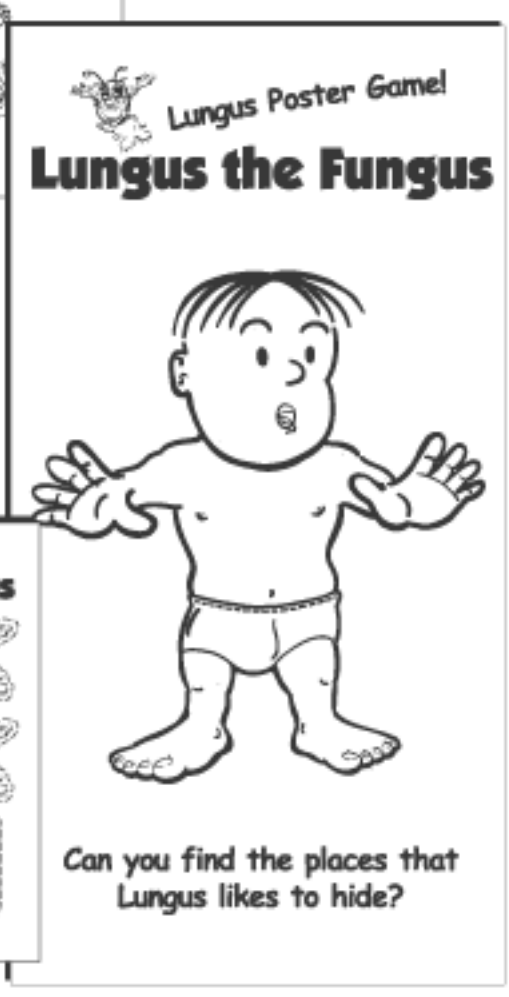
- 17" x 33" "Pin the Lungus" Poster Game
- Teachers Guide
- Weekly Bathing Calendar
- Connect the Dots
- Crossword Challenge
- Coloring Fun
- Lungus Hiding Game





Your purchase of the Teacher/Activity Kit grants you license to reproduce the game and activity sheets.

This allows you to make as many duplicates of each original as often as you would like.



The 17" x 33" "Pin the Lungus" poster game is a great way to teach children hygiene trouble spots!
