

Introducing...

Lungus the Fungus

A Book About The Perils of Poor Hygiene. By Wendy Field Illustrated by Fred Wickham

This book introduces young children, in a delightful way, to personal hygiene. The simple, yet fun to read text and colorful illustrations provide:

- A fun way to learn about proper bathing habits.
- A simple step-by-step instruction to proper bathing.
- A delightful character that engages children to a challenge to outwit a "bath time foe".
- The consequences of poor hygiene are simply stated and illustrated.
- The rhyming and simple text along with an outrageous Lungus character engages the attention of young readers who will want to read or listen to the story repeatedly.

The available Teacher/Activity Kit provides you with a guide to learning objectives and also the following educational aides to help reinforce the child's learning experience.

- 17" x 33" "Pin the Lungus" Poster Game
- Four different reproducible activity sheets
- Weekly bathing calendar (reproducible)

About the Author...

Wendy Field started her career as a registered nurse in 1982, working mainly in critical care for several years. In pursuit of a schedule more conducive to family life she accepted a position as a school nurse. During this time she discovered a second career in education. The next twelve years were dedicated to the classroom, both teaching and completing a bachelors degree in occupational education and a masters in educational administration. Currently, she continues to work per diem as a registered nurse and holds a full time public school administration position in New York State. Her educational experience as well as being a mother of two has shown her first hand the need for positive and interesting health education.

About the Illustrator...

Fred Wickham received a Bachelors of Art degree from Syracuse University, specializing in biological and medical illustration. He has worked as both an illustrator and a graphic artist in multiple medias and has received numerous awards for his work. He founded Canasta Design Works, Ltd., an advertising agency, in 1988. Canasta Press, a publishing house dedicated to quality children's titles, made its debut in 2001. A father of two, he has plenty of inspiration and experience on how to capture a child's interest and to help make learning fun.
